

sadha Inventory

A simple Inventory solution, free and easy to use. Stores Category and Items and generates a unique barcode for each Item. Add Item ensures that you have the item added in the Inventory

Sale – which handles most of the logic to deduct the inventory and check if it is in stock at scan.

Its Excel Macro based tool, easy to maintain and easy to use.

Login:

The login window has a title bar labeled 'Login' with a close button. Below the title bar is a dark blue header with 'sadha Inventory' in white text and 'Version 0.1' in the top right corner. The main area contains two input fields: 'User :' and 'Password :'. Below these fields are two buttons: 'Cancel' and 'Login'.

Main Dashboard:

The main dashboard window has a title bar labeled 'sadha Inventory - Developer Mode' with a close button. Below the title bar is a dark blue header with 'sadha Inventory' in white text and 'Version 0.1' in the top right corner.
